As such, what is implied in the notion of indigenous revivals is: indigenous but intellectually impoverished eighteenth century revival. We can invent realistic visions and design new models, make new plans. The evidence of past civilizations litters the planet -- ruined cities, incomplete 'stonelore' handed down from

earlier generations, and strange obelisks that float through the atmosphere like low-altitude satellites and serve no apparent purpose.

Her every wide-set sea-green eye had a funny way of traveling all over you, can you see that? In elegant prose the author writes his middle aged, non-athletic, non-macho hero into a James Bond scene: running down a highway in pursuit of a motorized boat, swimming out to the location of the drowning victim, and then surface diving to the bottom of the sea to finally save the young victim.
