Food for me

Se brought me back to comics, and gave me heroes I can admire. However, there seem to be many similarities in function between what appears to be a wayside shrine in its simplest expression—a cluster of vermilion-covered stones at the base of a sacred tree—or a shrine that is not built for people to enter that can serve a small crowd according to the surrounding space available, or other shrines which can expand their space by appropriating the surrounding area on special occasions with makeshift structures, such as during annual festivals or even for weekly worship on the traditional day dedicated to the deity.

Best Thought, Worst Thought: On Art, Sex, Work and Death

When the first wave of workers arrived in December they experienced a housing shortage, an ongoing problem for workers who had been promised an idyllic community in the model of Lowell, Massachusetts with company-owned housing.
