The Dancing Mania

That experience is so much richer.

Missing Person

By identifying seven critical ways in which economics has been led astray she suggests we need a new model of economic thinking, one fit for the twenty-first century. Instead, this is a book on what classroom learning could be if we aspire to co-create more culturally responsive and equitable environments-environments that are safe, affirming, learner-centered, intellectually challenging, and engaging.

Unbound Desires

First, we will focus on stating what is self-confidence as an approach to the surrounding world.
