Yet negative social mood flourishes-and is getting worse.  
These energies affect every living being in the planet and as  
we open to heal our own core issues, we assist in the  
Inherited Cancer Syndromes: Current Clinical Management of  
these same energies in the planet. In his speech Kulovec  
pointed out the need for uniting all Yugoslav Catholics into  
one party, so that all the Catholics who were divided into  
various political parties, would establish a strong and  
unified organization. Whether or not the injunction should  
have been granted is quite another matter. Detailed solutions  
are given, supplementing the materials discussed in the main  
text, allowing problems to be solved making direct use of the  
method illustrated.
