We are again making use of a terminal condition similar in philosophy to that employed in Section 2. It feels so hopeless because it'll never go away. They offer a tour of American landscape-the trees with bitter crop of the South; the plains of the Midwest; the duels of a cartoonish Wild West. It was possible, of course, no, more than that, much more probable than some musical human voice in the middle of the night.

WhenshedidmeetoneU.The Chinese led the way in great wall-building and are becoming world leaders in using the internet as a wall.
